

Social Security Card

You can recite your Social Security Number!

*It is a good idea to call the license office before you go to be sure.

Replacing Your Social Security Card

If you access to your current, unexpired photo ID, you can apply for your Social Security Card online or in person.

If you do not have access to your current, unexpired photo ID, there are a couple of alternative documents you can use to get your Social Security Card. You will have to go in person to a Social Security Office to apply.

Alternate Documents to Prove Your Identity

- Passport
- Employee identification card
- School identification card
- Health insurance card (not Medicare)
- U.S. military identification card
